Product Specification Sheet

WHITEHAVEN
Australian Collection

Australian, Coast, Concept & Luxe

Made entirely in Spain from 100% recycled glass and natural pigments, our range is easy to install and to maintain thanks to its internationally patented thermo polymer backing system.

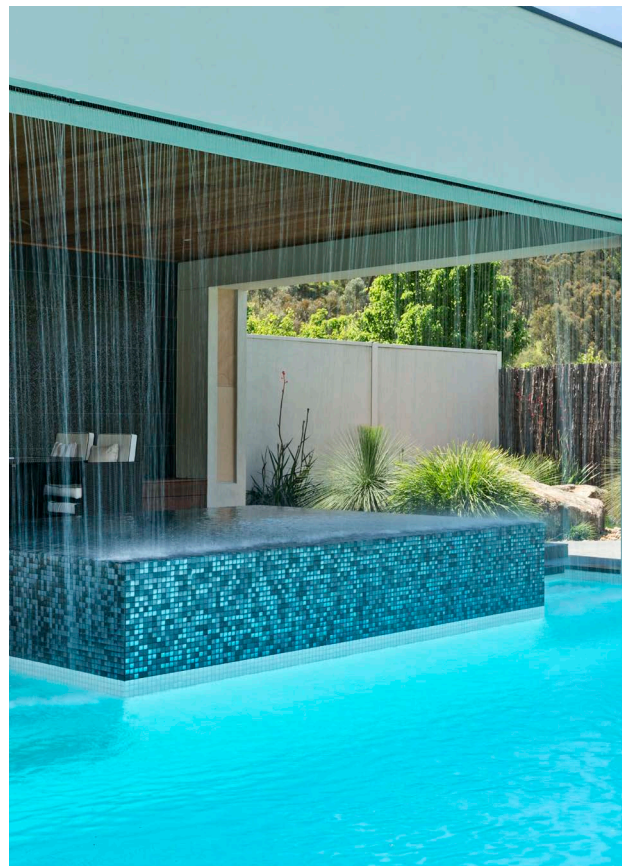

A curated selection of mosaics is available to suit a diverse range of designs; Our Hisbalit range, produced by one of the oldest manufacturers in Europe is exclusive to Artisan Exterior.

Our Australian and Coast collections, developed exclusively for our local market, were created to honour the unrivalled beauty of the Australian coastline.

Concept & Luxe feature elegant chrome and iridescent blends that are striking and multifaceted.
