Strukture

Achieve the organic look and texture of natural stone with our low maintenance, highly durable, large format, Italian porcelain collection, Strukture.

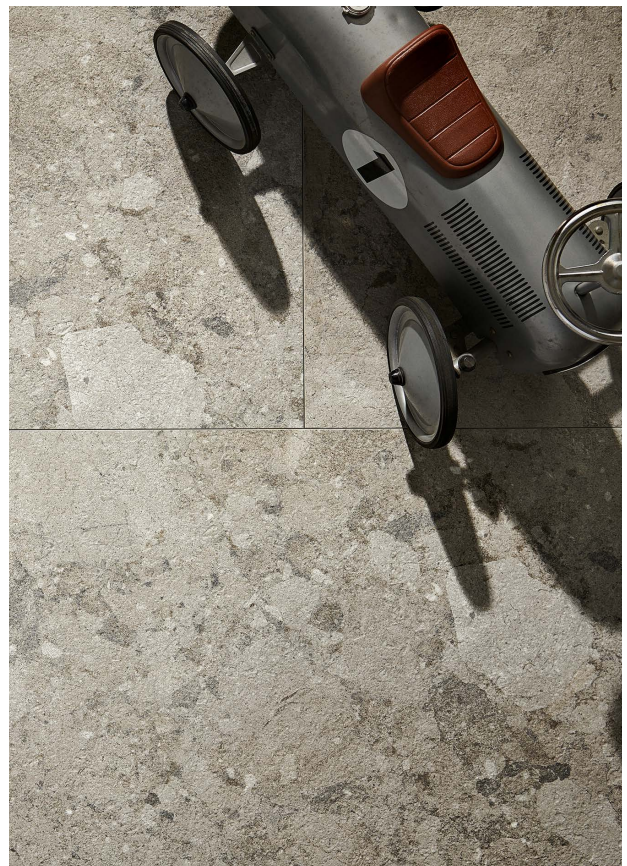

Strukture is revolutionising the outdoor space, offering seven stunning, versatile designs in a unique and contemporary, large format paver.

The collection embraces innovative Italian technology to deliver high-definition, high pattern variation prints with beautifully tactile, natural feel, anti-slip surfaces.

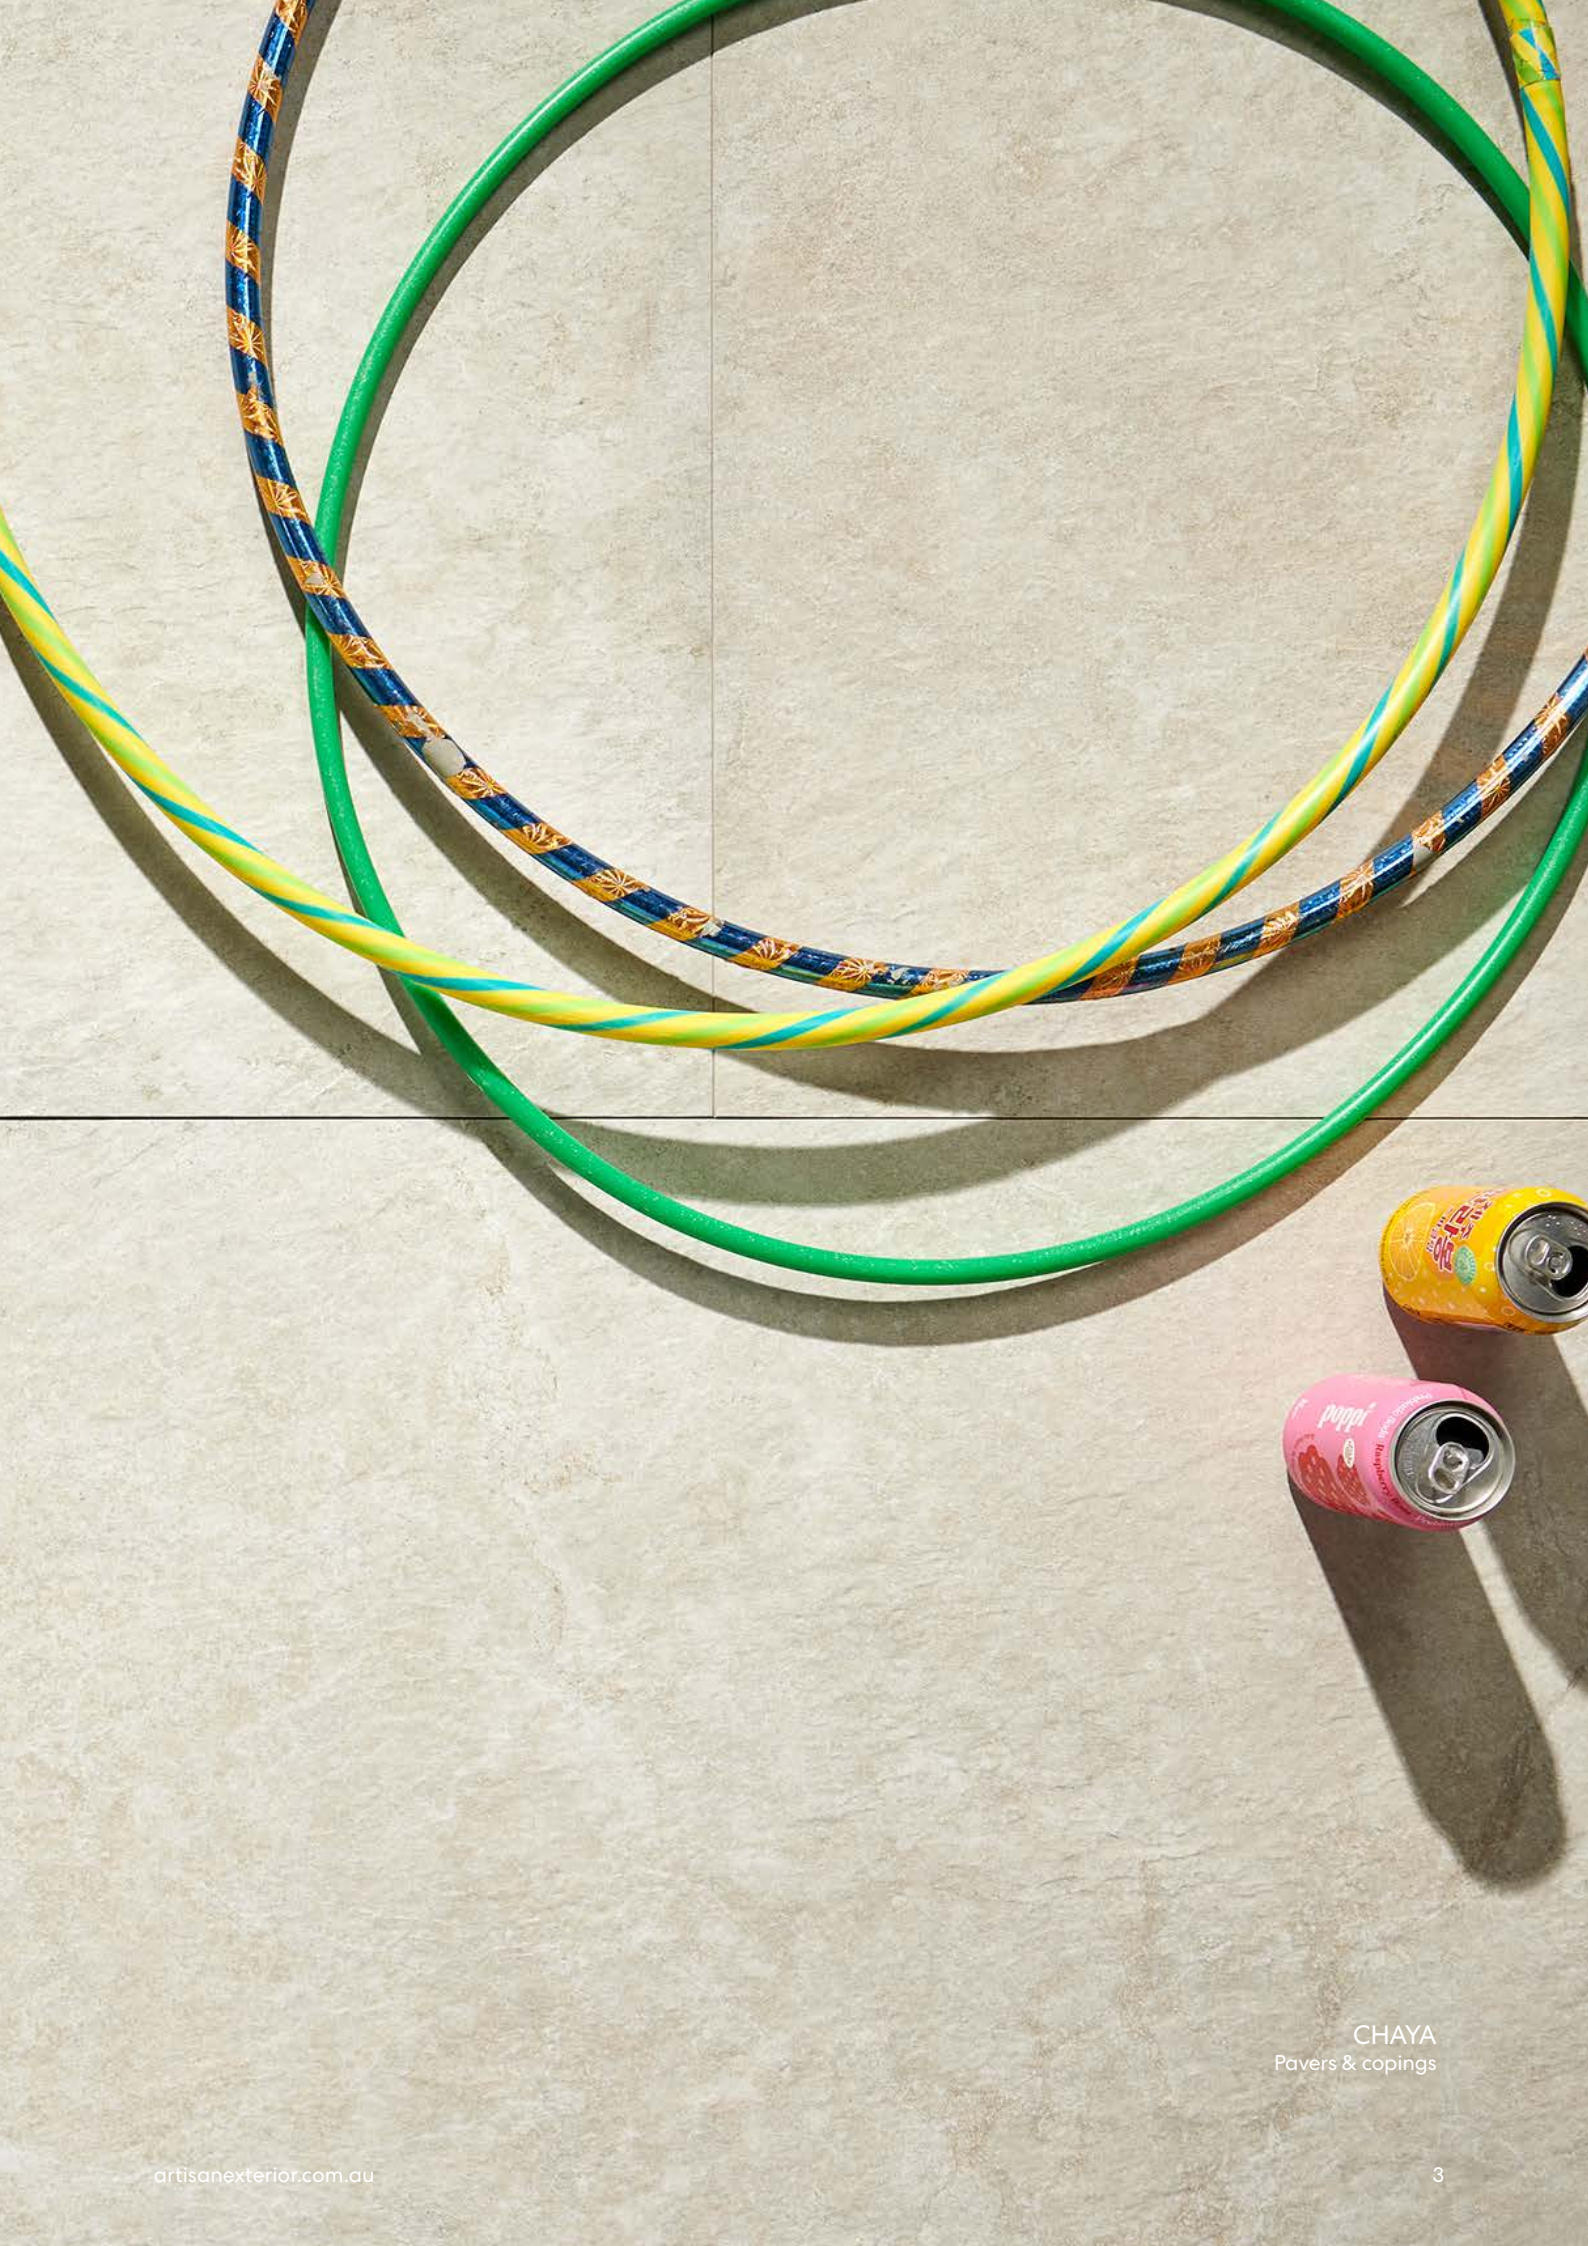

Boasting a P5 slip rating, and high stain, salt and chlorine resistance this collection is perfect for families and an ideal paver for any external environment, including poolside, drop edges, pathways and outdoor entertainment areas for commercial or residential projects.
