Product Specification Sheet

# Z PANEL WALL CLADDING

Natural stone wall cladding is a great design ally as it adds textural and visual interest to both indoor and outdoor vertical surfaces.

Our Z Panel products are the answer to easy, effective and natural looking installations that deliver every time.

Perfect for pillars, fireplace surrounds, blade walls, outdoor barbecue areas and retaining walls, these modular solutions can easily transform and enliven any outdoor or indoor vertical surface.

Our Z Panel range features Rustic Mica, Rustic Granite and Rustic Grey. Each product highlights respectively the stunning nature of quartz, granite and slate and showcases them in a dry-stack appealing look.

Z Panel features a cement backing which allows for time-effective and efficient installation.

One-piece corners and matching capping are also available to deliver a stunning refined and finished look.
